You want to join the army perhaps ?
Shut up !
You've always laughed at me !
I've always been sincere with you but you simply defied my trust !

You are worse than a snake ...
You need to die ...
Jeremy ... I am sorry. It looks like I am about to die already
I was hoping to live in your place ... I am so sorry ...

You were wrong on

Not a woman
but a guy

Oh, my God, Euan
What have I done ?!
Please let me through.

Let's stop bleeding first

I need to make bandages.

Don't you place things like this in our way !
I, I apalogize sir

Joshua, it was your fault.
Are you siding with a maid because you have a maid girlfriend ?!
Are you alright?
I am fine.
To dear Jeremy -
I've been going to this school for a few days now
I think ... I am doing okay

"I posses ideals that are beyond mere humans' imagination."
I find Latin language very hard for me.
But I am managing
"Therefore, that drives me to stand alone even now."

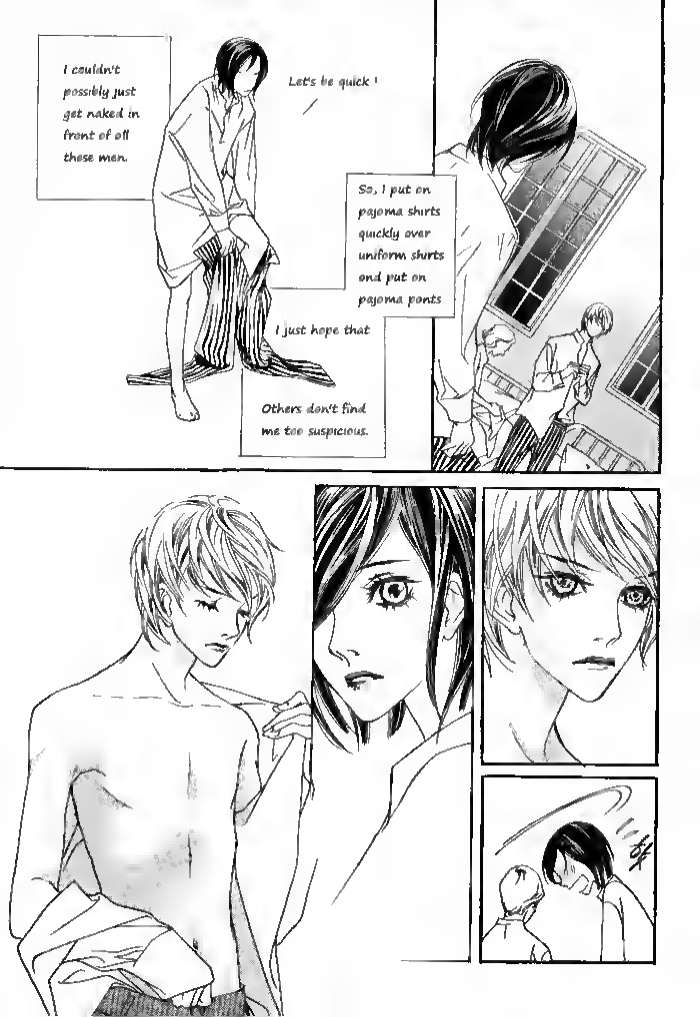
By the way, Jeremy –
There is... one tiny problem.
It's that students are forced to sleep together in rooms.
Why do some have their own sleeping room
While rest of us are sleeping together ?
The most troublesome moment is when changing into pajama –
Only those in special classes are given their own rooms.



I couldn't possibly just get naked in front of all these men.
Let's be quick !
So, I put on pajama shirts quickly over uniform shirts and put on pajama pants
I just hope that
Others don't find me too suspicious.
Oh

Where is he going ?
That's Phillip He's going to see Henry
These two are a known couple, but it's supposed to be a secret
Won't the campus teacher say something ?
He knows but he won't say anything. Their families are too powerful
This place is full of Sodomites.

Euan is looking for you

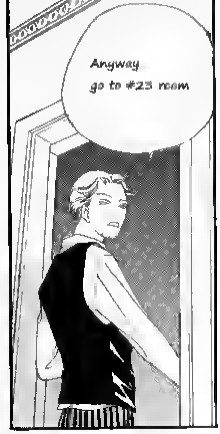
Doesn't ring a bell ...



Anyway

What do
you mean ?!
Did he

You will be

Well, if it's
